

## ***We Are Updating Our Community Resource Directory...***

Greetings from the Family Focus Resource & Empowerment Center!

Our records show that you have expressed an interest in or your business, agency, or organization has previously been listed in the Resource Directory maintained by the Family Focus Resource & Empowerment Center (FFREC), a non-profit organization providing comprehensive information regarding disabilities; resources about special education services; support groups, parent education and training; and referral services for families who have children with special needs ages birth to 22 who live in the San Fernando, Santa Clarita and Antelope valleys as well as the community at-large.

We are currently in the process of updating the directory for the benefit of our families and the professional that contact our offices for information and resources. To ensure the information we currently have on file is correct, we ask that you please take a moment to complete the attached information sheet and return it to us. You can return the form either by email, U.S. mail, or fax, whichever is most convenient for you.

If you should have any questions or if you require additional information, feel free to contact us at (818) 677-5575.

We look forward to hearing from you. Thank you in advance for your time and assistance.

Sincerely,

The Staff at the FFREC

---

*The Family Focus Resource & Empowerment Center is a non-profit organization funded by Senate Bill 511 through the California Department of Education IDEA Part B and IDEA Part C, which is affiliated with the Michael D. Eisner College of Education at the California State University, Northridge. The FFREC provides comprehensive information regarding disabilities, resources about special education services, support groups, and resource and referral services for families who have children with special needs ages birth to 22 who live in the San Fernando, Santa Clarita and Antelope valleys. In addition, the Center is a resource for the community at large providing parent-to-parent support, parent and professional education, information dissemination, referrals, public awareness, family-professional collaboration, and services to low incidence children as well as training on various topics related to special education.*
